AN EXPERIENCE YOU WILL NEVER FORGET!

Experience a whale watching adventure like no other aboard Shayla - a purpose built 10.5m sailing catamaran.

Features and Inclusions

- The unique design of our boat allows you to get as close as possible to the whales and see their true magnificence in size
- Expert commentary of the local area and the whales with our skipper having 20 years experience on whale watching boats
- Low numbers of passengers with 24 or less
- Fantastic 360 degree views
- Relaxed itinerary, onboard music and the ambience that Shayla is renowned for
- Awesome sailing fun that adds to the whale experience (even getting there is fun)
- Open design and stability reduces seasickness on those rougher days

- Morning tea, afternoon tea and lunch included
- Fully licenced
- Courtesy pick up and drop off
- Swimming and boom-netting possibility (weather permitting)
- Opportunity to see turtles, dolphins, dugongs or even a dingo on the island
